2221 Silver Fox Court, - Big Springs at The Northstar California Resort

4 bedrooms, 5.5 baths, approximately 6,300 sq. ft.

Award winning mountain estate on a double lot at Northstar designed by Ryan Group Architects. This lodge style home is located in the prestigious Big Springs area just a short walk to the Home Run ski run. The massive granite double sided fireplace is the centerpiece of the open kitchen, dining and living room areas which feature vaulted ceilings, open beam construction and sweeping mountain and sunset views. The kitchen, designed for entertaining, will please any chef with professional series appliances, Cherry cabinetry, honed granite countertops, 3 dishwashers and large Mahogany Island with seating for guest interaction with the cooks. Retire to the main level master suite with beautiful granite fireplace, its own laundry, built-in Cherry dresser and media cabinet and great views. The master bath features a steam shower, jetted tub and Durango travertine flooring. A private guest wing above the 2 car garage offers a luxurious sleeping area, kitchen with copper countertop and sink, private bath with Brazilian black granite and glass tile countertops, adjacent laundry room, private deck and views. The lower level features two guest masters with views, large game/media room with Portuguese cork flooring, pool table, wine cellar, wet bar, computer workstation, HDTV and Pullman style hallway bunk beds for overflow. Relax après ski in the Finnish sauna, steam shower or spa. Enjoy summer living from one of the five Brazilian ironwood decks, all capturing Sierra views or the landscaped back yard and Bocce ball court. Offered with some of the exquisite furnishings.
