Large Kitchen with two sliding glass doors leading out to two separate decks

Dining Room with wine frig, gas fireplace and lots of windows

21.7 acre open space
In the backyard

Room To Roam

A Fabulous Home For an Extended Family or Two

Backing to a Beautifully Treed 21.7 Acre Common Space Parcel

An amazing family home with five bedrooms, five and 1/2 bathrooms, office, game area (off the living room) with full bar and gas fireplace, a family room downstairs with gas woodstove and a sliding glass door opening to the great outdoors. There is a children's "Dream Come True" playroom upstairs with an incredible forest scene painted on the walls and ceilings.

Entertaining is easy with the large kitchen / dining area (with breakfast nook). From the kitchen sliding glass doors lead out to two separate decks. There is another sliding glass door that opens onto a large deck from the living room.

With 5090 square feet living space, 21.7 acre open space backyard, three gas fireplaces, two gas woodstoves, three decks (one with a hot tub), two large family rooms, sliding glass doors bringing nature and the beautiful outdoors to you ... this is a very special mountain home.
