

266 Basque Northstar-at-Tahoe®

Offered at \$ 1,495,000
3 bedroom, 4 bath, approximately 3680 sq. ft.

Spacious living room with woodstove and lots of windows

Open kitchen with wrap-around breakfast bar

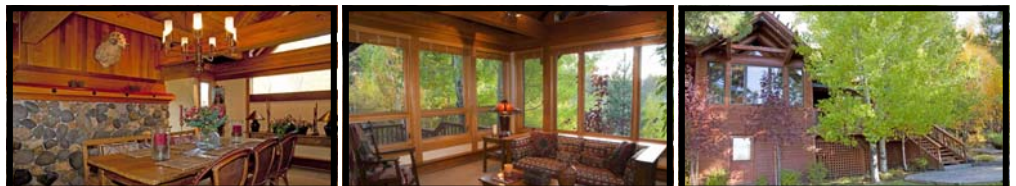

Very private landscaped backyard with views across the Martis Valley

A very special Northstar home. A timeless custom wood timber home designed by Dale Cox and built by Olsen Construction occupying one of the finest lots at Northstar. Only offered for sale one other time since being built in 1983. Located on a large open meadow with fantastic western views of the Sierra Crest. Beautifully landscaped. You must see this home before buying any other at Northstar.
