The Tompkins Memorial Trail is being constructed with the cooperation of the U.S. Army Corps of Engineers, Northstar-at-Tahoe, and the Northstar Community Services District. Currently the Tompkins Memorial Trail consists of 14.6 miles of hiking, running, and biking trails.

This map was created using a Global Positioning System with sub-meter accuracy. All trail distances shown have been rounded to the nearest tenth of a mile. Trail sections without an indicated distance are less than one tenth of a mile.

U.S. State Plane NAD 1983 California Zone II 0402

LEGEND
